## **HAPPY EASTER!**

Dear Loved Ones,

We want to let you know that we are—stepping out of the boat, We will be launching out on the road.

Believe it or not Casey our oldest 24 will be getting married. And of all places, NYC at the end of May. She met her match. Rob... He is from N.Y.

### **5,000 Mile Faith Trip**

We were praying about how we can make it to the wedding, with 5 children - Air tickets are out of the question so we decided we will take the trailer and make it a 5000 mile faith –witnessing trip. We will travel through many states which will be very exciting for the kids and be also part of the fun adventurous summer trip!

We are sending letters to several churches in hopes of meeting more friends and making an appeal for help in our ministry. We want to really focus on sharing and witnessing all along the way. It will be a missionary trip in our own back yard.

We will be pulling a trailer (5th wheel) and stay at churches along the way. We will also be staying at a few camp grounds.

I know this probably sounds like a broken record. But if you can send anything to help on this trip we would be very grateful . Its going to take a lot of money both in fuel and food. Thank You! We so appreciate it! God Bless You!

## **MORE UPDATES!**

**The children are all fine & growing like weeds...we are getting up there in the years too but we still haven't hit 65 or the retiring years! Maybe there is no real retirement age in Gods service?? Or is there? Though we do get tired out!!!!**

**Praise the Lord for all that He has done for us! We are so thankfull for His loving care & provision & supply! Phil 4:13 My God shall supply all of your needs! We are truly blessed as He has never failed in suppling all of our needs! We are even blessed with some wants too!**
